Rationale

In accordance with section 360 of the *Education (General Provisions) Act 2006 (QLD)*, a principal may develop a student dress code that will apply when students are attending, or representing, the school. When developing a dress code, the principal must ensure it is compliant with guidelines, as described in this procedure.

Burnside State High School dress standards reflect the community expectations and standards as determined by the Principal in consultation with school community representatives.

Aims

Burnside State High School believes that a clearly stated and sensibly implemented Uniform Policy is important for the following reasons:

- To provide a disciplined learning focus, setting the scene in a classroom environment.
- To provide a sense of identity for students attending the school.
- To provide an opportunity for parents and staff to instil in students a sense of pride in their appearance.
- To provide a united team and increase school spirit.

It is our policy that the correct school uniform is worn each day and we urge all parents to support the accepted standard of dress as detailed in this brochure. The Burnside State High School uniform can only be purchased from the school uniform shop.
