Acting Principle

DROP-OFF, PICK-UP AND PARKING RULES: Driveways via gate 1 and 2 at Burnside State High School are not to be used to drop off or pick up students.

Please use the **designated** drop-off and pick-up zones which can be found on Blaxland Road outside both Burnside State High School and Burnside State School. These areas are indicated by signage noting the short time limit that applies. There is limited visitor parking available through gate 2 for those wishing to visit the administration building, disabled parking is also available in this car park. Local street parking is available but be aware that time limits do apply.

AIR BORNE CHEMICALS - AEROSOL BAN: Some members of the Burnside State High School community suffer severe allergies to aerosol sprays or perfumes that can act as a trigger to an (often) serious asthma attack, or bring on a severe migraine. The allergy can be sufficiently serious to put one of our students into anaphylactic shock if an aerosol or perfume has been sprayed anywhere in the student's vicinity. This can be a life threatening situation, resulting in the student's airways closing and the student having to be transported to hospital in an ambulance. • Aerosols are banned from school premises, excursions, sporting events and all events where students are in confined spaces. To provide the safest environment, students are banned from bringing aerosol sprays and perfume pump-packs to Burnside State High School. This includes for any excursions, camps or other onsite or offsite activities. Risk management strategies will be in place for any aerosol sprays used as part of the curriculum and school business. Aerosol sprays or perfume pump-packs brought to school by students will be confiscated and disposed of. Breaches of this policy will result in disciplinary action. Remember: No student is to use or bring aerosol deodorants or sprays to school. Roll-on and stick deodorants are permitted at school. Thank you for considering the health and safety of others.

Burnside Bulletin Board

Uniform Guide

Burnside State High School is a progressive and socially responsible school maximising student learning outcomes and preparing young people to become active citizens in a global society. Burnside State High School is a uniform school because the Parents and Citizens Association, representing the parents of the school, has decided to support the wearing of a school uniform. The Minister for Education has stated that the advantages of wearing school uniforms include "developing a sense of belonging to a group, pride in membership of that group and identification of students to and from school". Research has also shown that there is a clear link between dress standards, school discipline, school spirit and community perceptions of the school in general. It is our policy that the correct school uniform is worn each day and we urge all parents to support the accepted standard of dress as detailed in this brochure. The Burnside State High School uniform can only be purchased from the school uniform shop.

SWPBS News

The Student Wide Positive Behaviour Scheme is a program in place here at Burnside State High School that recognises and rewards positive behaviour in students. Students receive a 'GOTCHA' ticket whenever a teacher catches them doing the right thing around the school. This may be for displaying excellent manners in class, completing class work, helping another student etc. The program tries to encourage positive behaviours by rewarding them. Students place their GOTCHA tickets in the year level boxes at student administration and prizes are distributed on year level assemblies every few weeks. Students may receive tuckshop vouchers, or a number of other great prizes donated from our supporting sponsors. If you would like to donate any prizes to the SWPBS Program please contact Mr Luke Ward on 5459 7333.

Congratulations to all our students who have been caught doing the right thing here this year. These students have been recognised for continual good behaviours this year to date. A big shout out for the support of our local business for their ongoing support of the program.

What's been going on at Burnside

Media and Film students shine on the big screen

Our Media Arts in Practice and Film & Television students have been busy with their outstanding creativity and production skills. From emotionally charged short films to clever advertisements, eye-catching music videos, and engaging YouTube content, our students are putting their talents to work in exciting and competitive ways.

Many students have prepared entries for a range of state-wide film competitions, including the prestigious **STUFFit Student Film Festival** held in Nambour. This festival showcases the very best in student filmmaking, and Burnside is proud to have multiple entries in the running.

After the presentations, the students explored a range of aircraft up close – including the unique opportunity to sit inside an F-111. Adding to the excitement, two of our students were selected to participate in a session inside a B737-800 simulator, and another student took part in an immersive Virtual Reality (VR) experience.

This inspiring day provided our students with valuable exposure to real-world aero-space careers and reinforced the many pathways available within this dynamic and innovative industry.

Year 7 Business Studies Gifted and Talented Day - Big Pineapple & Wildlife HQ Zoo

Our Year 7 Business Studies Gifted and Talented students recently enjoyed an engaging and educational excursion to the Big Pineapple and Wildlife HQ Zoo. The day was packed with fun and learning as students explored real-world business environments and discovered how innovation and entrepreneurship bring ideas to life.

Throughout the day, students discovered how businesses consider different target specific markets, and they learned how a business can incorporate sustainability and ethical decision-making. Observing eco-friendly operations, students gained valuable insights into responsible business operations.

It was a fantastic opportunity for students to connect classroom learning to the real world.

The event featured a series of engaging career talks from inspiring women in the aerospace industry, including a Qantas Captain, the General Manager of Sunshine Coast Airport, a Senior Air Traffic Controller, and representatives from the ADF, Boeing, Javelin Aerospace, and the Westpac Rescue Helicopter Service. These professionals shared insights into their career journeys and the diverse opportunities available in the aviation and aerospace sectors.

Languages and International Student Programs

Wow! What a start it has been to Term 3! Our languages programs for both Japanese and Indonesian have hit the ground running, with students immediately settling in and enjoying conversing in the language and understanding different aspects of the customs of culture of the two countries.

This term we awarded some of our Year 11 students the opportunity to attend the 100th year celebrations of our sister school – Meishu Gakuen High School - from 4-11 September. The calibre of student responses we received, along with the interview process, was of the highest quality, and I could not be more pleased for our school to offer such an opportunity to our students. Congratulations to all the applicants and recipients of the scholarship.

Currently, our school is hosting four students from Meishu Gakuen as part of our sister-school relationship, and we are thrilled to welcome them to our school and hope they have a wonderful experience studying at Burnside while seeing the sights of the Sunshine Coast and surrounds. Our school welcomed a new intake of 12 new international students to our school. Arriving from Germany, Italy, Brazil, and Iceland, the students completed their orientation program and are already getting involved in many activities both in school and outside school.

On behalf of our Burnside community, we wish all our new and current international students all the very best for Semester 2! We hope you enjoy your time studying at Burnside and exploring our country!

Finally, our school hosted two tours this term from Japan – Meiji Gakuin Higashi-Murayama High School and Jissen Joshi Senior High School. The 10 students from Meiji were with us for one week, learning about Australian animals at Wildlife HQ, attending a STEM class and learning about Global Leadership, all while attending our classes accompanied by their Burnside buddy. The International Student Team would like to thank our homestay families, Burnside buddies and all the staff involved in their program in ensuring the students had such a memorable experience here at the school.

Jissen Joshi students arrived in Week 4, participating in a two-week Marine Studies program. The program designed by the school is action-packed, featuring an Ocean

Life Incurtion, Rocky Shores excursion with our qualified staff, a visit to Sunshine Coast University, trip to SeaLife and to top it all off, a whale watching experience. We are very excited to offer this program for the first time and look forward to creating many lasting memories.

Year 12s

The Year 12 cohort have been working diligently. Many students studying General subjects have now completed their final assessments and are working on preparing for their external exams occurring in October/November. VET subjects are seeing many units being finalised and Applied subjects are continuing to work on their practical tasks. We wish them the best as they complete these final pieces of assessment. It is important that attendance rates stay high in these last few weeks to ensure students can complete their final tasks to their best ability and stay engaged in end of year preparations. It is also vital that students are checking their QCAA Learning Accounts to ensure that they include all their academic studies and courses.

Formal

Formal preparations are well underway! Students will receive their invitations to the event at the end of the term. Eligible students will be able to purchase tickets from Main Administration once invitations are issued. Tickets to the Formal are \$115.00 each and students can bring two parents/guardians to the event. Attendance at the pre-formal is free and students may wish to bring other important people in their lives to celebrate with them during this portion of the event. Once tickets have been purchased, students are responsible for devising the seating plan. Please ensure you discuss with your student your seating wishes so they can place you on the seating plan appropriately. Please note each table seats 10 people. It is going to be a fantastic night celebrating our Year 12's success; so we look forward to seeing parents and guests at the event!

SWELS Update

On Thursday 24 July, Year 12 students engaged in their fourth SWELS session. They heard from many guest speakers and organisations including LIVIN, Queensland Police Service, White Ribbon, Link and Launch and Bin the Blade. These presentations aimed to give students a better understanding of support services available to them outside of school, how to take care of their mental health as well as practical advice for staying safe and following the law when engaging in society. Students also enjoyed wearing their pyjamas whilst devouring their pizza lunch provided by The Smith Family. Thank you to all involved, it was such a valuable day for students, preparing them for the world outside of school and building their capacity as young adults.

Our final SWELS session will occur on 4 September and will focus on students reaching their potential as they prepare for life after school. We will also conduct some celebratory activities with the support of The Smith Family to conclude the SWELS program.

Ancient History Excursion

In Term 2, Year 7s and Senior Ancient History students were invited to the Brisbane Museum to visit the *Discovering Ancient Egypt* exhibition. They saw ancient sarcophagi, mummified remains, jewellery, ornate sculptures and other artefacts, including excerpts from the Dead Sea Scrolls. The Year 7s had a special guest lecture on archaeology from an archaeologist and completed a pyramid building workshop using Lego. It was a wonderful opportunity for students interested in history to expand their knowledge and enjoy a day out. Our Year 10 History students are looking forward to their excursion to the same exhibition in August.
