

“Laserzone has a current employment opportunity for Junior Crew members aged 13 and over. If you feel you have the skills to interact with our variety of guests while creating a fun and exciting atmosphere, we'd love to hear from you! To apply, head to the employment page on our website to download our application form and either deliver it to us in person (we love that!) or email it to us along with your resume. Applications close 6th September”

To guarantee your students the best opportunity for success please let them know to have a look on the employment page of our website for information on how to apply.

Best Regards,
