

Shadforth School Based Traineeships

School-based Traineeship - Cert III Pipe Laying

29/10/2025

- Building & Construction
- Labourer
- Sunshine Coast
- Part Time

- School-based Traineeship for students commencing year 12 in 2026
- Working towards your Cert III in Pipe Laying
- Work for a leading Civil Contractor based on the Sunshine Coast

Due to having a large pipeline of works in the Sunshine Coast Region, we're on the lookout for a School-based Trainee to join our Pipe Crew, working towards their Cert III in Pipe Laying.

You will work in small teams on Sewer, Storm and Water Mains projects. You will be assisting the Pipe Crew in a Trades Assistant Role and will have the opportunity to upskill with tickets like confined space, loader and quick cut saw.

About the role:

- Working on projects on the Sunshine Coast
- Working 1-2 days per week during the school term (full-time hours available during school holidays)
- Full-time position available upon successful completion of Year 12
- School-based trainee rates apply

About Us

Shadforth has been operating in Queensland for over 40 years. Originating on the Sunshine Coast and with multiple regional offices, Shadforth has built a Queensland wide presence that has made us one of the largest privately owned civil contracting companies in Australia. Our Projects include industrial and residential sub-divisions, as well as a large number of major infrastructures.

What's in it for you?

- Hands-on industry experience in a booming industry
- Earn while you learn
- Nationally recognised qualification
- Pathway to full-time employment with strong job security.
- Mentorship from a leading civil contractor, learning the latest skills and safety standards.

To Apply

If you're interested in this role, submit an up-to-date copy of your resume and a covering letter highlighting your interest in the role.
