

BYOxLink - How to guide

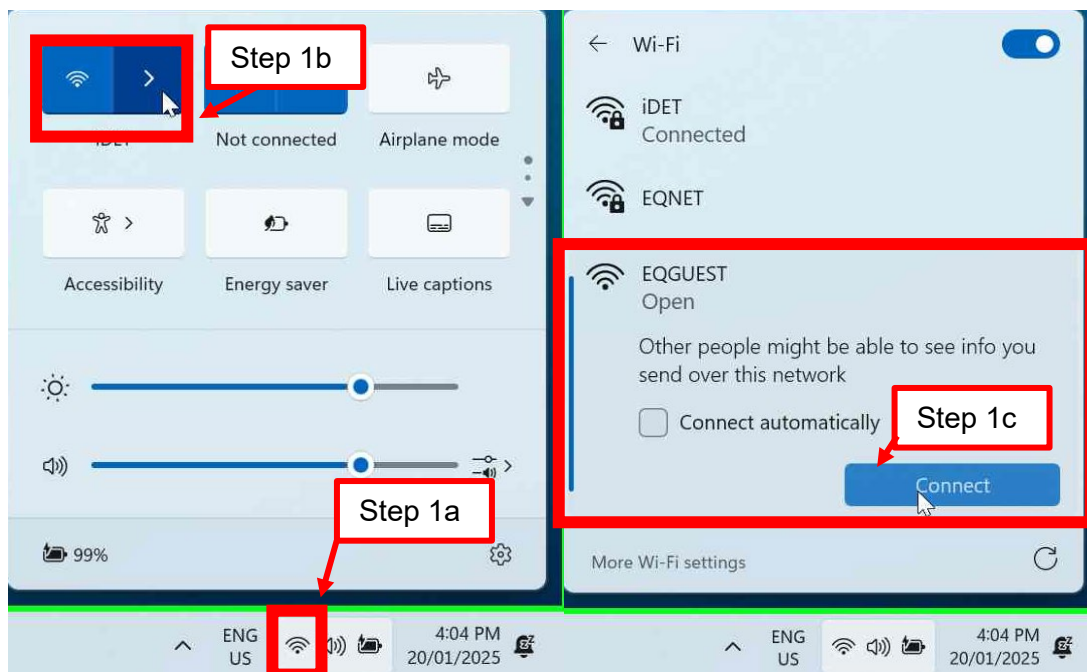

Use guest Wi-Fi service to connect a Windows device

This document explains how to connect a visitor's Windows device to the school guest Wi-Fi network (EQGUEST). The connection is limited to the filtered internet service and will be available to use for two hours.

Use your school account to log in.

Step 1. Connect to EQGUEST Wi-Fi network

- Select the  Wi-Fi icon at the bottom right of the screen.
- Select the > button next to the Wi-Fi networks.
- Scroll the Wi-Fi networks to select EQGUEST. Select **Connect**.

Step 2. Sign in to EQGUEST Wi-Fi network

- A sign on page will be displayed.
- Enter your school account logon credentials.
- Read and accept the Acceptable Use Policy by ticking the box.
- Select **Sign On**.
- A success screen will be displayed.

Sign on for guest access.

The Department of Education's information and communication technology (ICT) network is available for approved purposes only. When using the ICT network you must act at all times lawfully and in line with the rules that apply to you which includes:

- The Code of Conduct
- Department's Standard of Practice
- Public Sector Ethics Act 1994 (Qld)
- Crime and Corruption Act 2001 (Qld)
- Information Privacy Act 2009 (Qld)
- Queensland Government Chief Information Office's (QGCIO) Information security policy, framework and standards
- Departmental ICT policies and procedures

Unauthorised access and use may result in disciplinary action being taken against you. If the department reasonably suspects you are using the ICT network in a manner that constitutes a crime, the department will refer the matter to the police.

You must not attempt to access systems for which you are not authorised, share or let others use your unique username and passwords, or disclose passwords to anyone (even in periods of absence).

I agree to the terms and conditions
